Learning for life. Excellence for all.

Dear Parents / Carers,

The communication between school and home is an area we are continually looking to improve and develop. We have recently redesigned our school website:

www.kpgs.org.uk

This site is now regularly being updated with the latest schools news and information. Following the success of SchoolComms (the school's mobile text system) we are planning to enhance the school website further. We would value your suggestions and feedback about the content we place on the website. Please could you take a few minutes to complete the questionnaire on the back of this letter and return it to your child's class teacher by Tuesday 22nd March 2011.

I look forward to reading your feedback,

Mr. S. Jones
Assistant Head Teacher
